

NOTICE OF CLASS ACTION AND SETTLEMENT

Nick Snyder, et al. v. Washington Nationals Baseball Club, LLC
U.S. District Court for the District of Columbia, Civil Action No. 24-cv-01182 (CJN)

*The Court has authorized this Notice of Class Action and Settlement.
This is not a solicitation. This is not a lawsuit against you, and you are not being sued.*

**PLEASE READ THIS NOTICE CAREFULLY.
YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT ACT.**

1. Why Should You Read This Notice?

This Notice of Class Action and Settlement (“Notice”) explains your right to share in the monetary proceeds or ticket credit as provided by this Settlement.

On September 12, 2025, the U.S. District Court for the District of Columbia approved the Settlement as fair and reasonable. You received this Notice because the records of the Washington Nationals Baseball Club, LLC (“Defendant” or “Nationals”) show that you may be a member of the Settlement Class, if you were age 40 or older at the time you made at least one Covered Ticket Purchase, *i.e.*, a single-game ticket to a Nationals home baseball game that was scheduled to occur during the 2023 or 2024 Major League Baseball regular season; where the purchase was made directly from the Nationals on the Nationals or MLB.com websites, by phone, or at the Nationals’ box office between March 29, 2023 and March 28, 2024; where the purchaser’s age was 40 or older at the time of ticket purchase; where the purchase was for an Eligible Seat¹; where the purchaser suffered Actual Damages due to not having access to the “Millennial” or “Young Professional” discount (the “Discount”) with respect to their purchase; and where the purchaser would have been eligible for the Discount with respect to their purchase but for their age. However, to date, we have been unable to confirm that you were 40 years old or older at the time of the purchase, and therefore do not know if you are a Settlement Class Member. Accordingly, if you were 40 years old or older at the time of the purchase and wish to receive benefits under the Settlement, you must fill out and return the attached claim form and return it to the Settlement Administrator whose contact information can be found below and on the claim form.

2. What is this Lawsuit About?

In this case, Plaintiffs challenged the Discount in which the Nationals offered a ticket discount of up to 30% plus a ticket credit of \$5 to \$15 per ticket on certain regular season tickets to fans who were 21 to 39 years old at the time of purchase. The Discount was in place between March 29, 2023 and March 28, 2024. The Nationals have not offered the Discount since March 28, 2024. Plaintiffs allege that the Discount violated the D.C. Human Rights Act’s provisions that prohibit age discrimination in public accommodations and the D.C. Consumer Protection Procedures Act. Defendant denied all the claims in the Complaint and denied any and all liability or wrongdoing with respect to the allegations made in the Complaint.

¹ The Discount only applied to the following sections of the Nationals’ stadium: Baseline Box, Baseline Reserved, Infield Box, Corner, Scoreboard Pavilion, and Upper Gallery.

Excluded from the Settlement Class are: (1) any Judge or Magistrate presiding over this case and members of their families; (2) the Nationals, and its subsidiaries, parent companies, successors, predecessors, and any entity in which the Nationals or its parents have a controlling interest and their current or former officers, directors, agents, attorneys, and employees; and (3) the legal representatives, successors or assigns of any excluded persons.

3. What Are the Key Terms of the Settlement?

Under the terms of the Settlement Agreement, the Nationals agreed to pay alternative amounts known as the “Settlement Fund” in consideration for a release of claims as follows:

If all Settlement Class Members receive consideration in the form of Ticket Credit², the dollar value of all Ticket Credit provided to Settlement Class Members will be three million dollars (\$3,000,000). If all Settlement Class Members receive consideration in the form of a cash payment, the dollar value of all cash payments made to Settlement Class Members will be eight hundred thousand dollars (\$800,000). The foregoing alternative amounts are collectively referred to herein as the “Settlement Fund.”

Settlement Class Members will be able to choose whether to receive Ticket Credit or a cash payment. Ticket Credit and cash payments to the Settlement Class are calculated under the formula provided in Section 4 below. Ticket Credit can be used to purchase tickets for a Nationals home game occurring within 12 months of when the Ticket Credit is provided to the Settlement Class Member.

4. How Much Can I Expect to Receive?

If you file a Claim Form identifying yourself as a Settlement Class Member, you will receive consideration in the form of Ticket Credit unless you submit a Claim Form in which you expressly opt to receive a cash payment.

The amount of the Ticket Credit will be the greater of \$18 or two (2) times the “Actual Damages” for each “Covered Ticket Purchase.”³ “Actual Damages” means the difference between (1) the price you paid in connection with a Covered Ticket Purchase less any spending credit received in connection with such Covered Ticket Purchase and (2) the price that you would have paid in connection with such Covered Ticket Purchase had you received the Discount, less any spending credit you would have received in connection with such Covered Ticket Purchase had you received the Discount.

If you elect to receive a cash payment instead of a Ticket Credit, the amount of the cash payment will be 62.2% of the Actual Damages.

Because the forms of consideration are alternative, for each one dollar (\$1) in cash payment to a Settlement Class Member, the total amount of Ticket Credit available in the Settlement Fund will be reduced by three dollars and seventy-five cents (\$3.75), and likewise, for each three dollars and seventy-five cents (\$3.75) of Ticket Credit provided to Settlement Class Members, the amount of cash available in the Settlement Fund will be reduced by one dollar (\$1).

To provide an example of how the first distribution of Ticket Credit or Cash Payment will work, if, for example, you purchased one ticket as part of a Covered Ticket Purchase and your Actual Damages for that ticket are \$20, then you will have a choice between receiving a cash payment of \$12.44 (*i.e.*, 62.2% of your Actual Damages) or Ticket Credit of \$40 (*i.e.*, two (2) times your Actual Damages). If, for example, your Actual Damages were \$8 for that ticket, you will have a choice between receiving a cash payment of \$4.97 or a Ticket Credit of \$18, because the minimum amount of Ticket Credit for Covered Ticket Purchase is \$18 and that minimum amount is greater than the two (2) times the Actual Damages.

You may also receive distribution of a second Ticket Credit, or cash payment, if the Claim Fund has not been exhausted after the above distribution of consideration to Class Members. Such second distribution will be made to Class Members on a *pro rata* basis based on the relative amount of each Class Member’s Actual Damages, and the distribution to each Class Member will be in the same form of consideration (that is, Ticket Credit or cash) previously provided to such Class Member.

2 “Ticket Credit” means a credit to a purchaser’s MLB.com account that can be used toward the purchase of one or more tickets to a future Nationals home baseball game.

3 A “Covered Ticket Purchase” means a purchase of (1) a single-game ticket to a Nationals home baseball game during the 2023 or 2024 Major League Baseball regular season; (2) made directly from the Nationals on the Nationals or MLB.com websites, by phone, or at the Nationals’ box office; (3) from March 29, 2023 through March 28, 2024; (4) by a purchaser whose age was 40 or older at the time of the ticket purchase; (5) by a purchaser whose Actual Damages were greater than zero; and (6) where such ticket purchase would have been eligible for the “Millennial” or “Young Professional Discount” had the purchaser been under age 40 at the time of the ticket purchase.

5. What Rights Am I Releasing in this Settlement?

Because the Court granted final approval of the Settlement, this lawsuit, as pleaded in the Complaint, is dismissed with prejudice against the Nationals, and all of the Settlement Class have released Defendant and all Releasees (as defined in the Settlement Agreement) from any and all claims and/or causes of action that were or could have been pled based on the allegations of the Complaint in this action, including, but not limited to, any claim for the alleged violations discussed in Section 2 above.

The full text of the Release is contained in the Settlement Agreement and may be obtained from www.NatsDiscountTicketSettlement.com.

6. What Are My Options?

Submit a Claim Form: If you were 40 years old or older at the time of the Covered Ticket Purchase, you must submit a valid Claim Form certifying your date of birth in order to receive a cash payment or Ticket Credit under the Settlement Agreement. You will have 90 days after the Final Approval Order, dated September 12, 2025, in this case to submit the valid Claim Form in which you (i) affirm that you made a ticket purchase during the applicable time frame; (ii) affirm your date of birth under penalty of perjury; and (iii) elect either the Ticket Credit or cash payment. If you choose to receive Ticket Credit, the Nationals will deposit the Ticket Credit directly into your MLB.com account. If you choose the cash payment, the Settlement Administrator will issue the cash payment directly to you. You have released your claims. The Claim Form can also be found on Defendant's website, www.mlb.com/nationals, and at the Settlement Administrator's website, www.NatsDiscountTicketSettlement.com.

8. How Will the Attorneys for the Settlement Class Be Paid?

You do not have to pay the attorneys who represent the Settlement Class separately. The Nationals have agreed to pay \$625,941.36 of attorneys' fees and \$14,058.64 of costs to Plaintiffs' Counsel, which will be paid by the Nationals separate and apart from the consideration that the Settlement Class Members receive. As a result, Ticket Credit and cash payments that you may be entitled to receive, as described in Section 4 above, will not be reduced to pay for attorneys' fees and costs. Class Counsel have filed a Motion for Attorneys' Fees and Costs with the Court. The amount of attorneys' fees and costs awarded was determined by the Court in its Final Approval Order on September 12, 2025.
